How It Works

1

Check Your Device

Any working device can be traded in – it just needs to power on, nothing more!

2

Simple Process, Big Savings

Trade in your existing equipment by sending it to us.

3

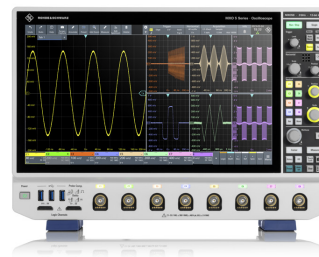

Get 20% Off a New R&S Instrument

Choose from a wide range of high-performance products.

*Devices must be able to power on. One trade-in unit qualifies for one discounted R&S product. Cannot be combined with EDU discounts. Offer valid while supplies last.

Eligible Product Categories:

- ▶ Oscilloscopes
- ▶ Power Supplies
- ▶ Spectrum Analysers
- ▶ Source Measure Units (SMUs)
- ▶ LCR Meters
- ▶ Vector Network Analysers
- ▶ Can be combined with current R&S promo bundles
